What Is Asbury Performing Art Conservatory Program?

Do you remember growing up and always have something cool and fun to do, whether at school, church or any other outside organization? Wouldn't it be great if all children in Asbury Park could have those same happy memories? Asbury Performing Arts Conservatory Program can help you and your child make it happen by signing up today.

The idea is simple; parents, teachers, law enforcement, businesses, young adults, businesses, concerned citizens and community members can volunteer to make this happen! It's fun and energizing - reminding everyone of the simple joy and pleasures that we had as youth growing up in the same community in which we live today! Plus, we will get to feel a part of the solution instead of the problem; this would be a healthy start and a chance to renew your community spirit with friends, family and neighbors.

But for most communities, these activities are offered within the community every year, so *now* is the time to offer this opportunity to our children, letting them enjoy their youth as we once did! Our children are our most prize possession and it only takes a few of us to get involved and offer this opportunity to our growing youth.

You can't imagine what we might be starting!

WHO CAN HELP SPONSOR THESE PROGRAMS?

Anyone & Everyone!
Participants include parents, grandparents, neighbors, caregivers, teachers, principals, superintendents, mayors, city council members, police officers, fire departments, local celebrities, community organizations, businesses and more!

What do the kids get out of the program?

- It's FUN! Kids need more!
- Children need a variety of physical activities each day, programs that they want.
- Active kids get better grades and have fewer discipline problems.
- Children learn how to be safe in their own community.
- Show Our Child That We Care about their needs & wants.
- It will increase our communities' spirit.
